

Learn, Love 'n Laugh

Newsletter - May 2025

May has arrived, bringing longer days, blooming flowers, and endless opportunities for outdoor exploration and growth. Our little learners are full of energy and curiosity, just like the busy bees visiting our garden! This season, we are diving into nature-based learning, encouraging discovery, and enjoying the fresh spring air together. With Mother's Day around the corner, we also look forward to celebrating the love, care, and strength of all the amazing mothers and mother figures in our lives. We are also excited to share that we have opened a new bay next to our Out of School Care (OSC) area to accommodate the growing needs of families in our community. If you know anyone looking for childcare, please feel free to spread the word. We are looking forward to a month filled with joyful learning and new beginnings!

Please feel free to reach out if you have any questions or suggestions!
