

# Learn, Love 'n Laugh

## Newsletter - October/November 2025

Dear Families,

The months of October and November are full of meaningful learning experiences and joyful moments. As the seasons change, our focus has been on curiosity, creativity, and connection encouraging children to notice the world around them and express their ideas through play. The children have been enjoying the crisp autumn days, exploring nature, and engaging in creative seasonal activities. We are so proud of how much they have learned and how beautifully they continue to grow.

Please feel free to reach out if you have any questions or suggestions!
