Newsletter - February 2026

Happy February! We are excited to welcome a new month filled with learning, creativity, and celebration. We are also pleased to share that starting this month, we are excited to provide lunch and snacks for the children. This will help support healthy eating habits and make daily routines easier for families. We look forward to this new addition and hope the children enjoy it.

February is a wonderful time to focus on friendship, kindness, and cultural celebrations. February is also Black History Month, and in 2026 we will be recognizing the theme "30 Years of Black History Month: Honouring Black Brilliance Across Generations — From Nation Builders to Tomorrow's Visionaries."

Through stories, discussions, art, and inclusive activities, children will be introduced to themes of respect, diversity, and belonging. Throughout the month, children will engage in hands-on activities, art, music, stories, and outdoor play while continuing to build social skills, independence, and confidence in a warm and caring environment.

Please feel free to reach out if you have any questions or suggestions!
