An introduction and a welcome message from Meena

I am delighted to introduce myself as the incoming owner of Learn Love 'n Laugh day care. I stepped into my new role in May, 2021, succeeding Effat who had moved. As a mother of three boys - Pritish, Ritvik & Tanishq - I truly understand the importance of TRUSTING a provider to care for your child. I have been a supervisor for Day care in Edmonton for the past 11 years, enjoying various roles, which has provided me with a great understanding, knowledge and experience. I am truly excited about this new opportunity. I have done Nursery Teacher Training (NTT) and Bachelor's of Education B.Ed. from Dehradun India. I have Child Development worker certification and am pursuing for Child Development Supervisor.

I would like to welcome new and returning families to our programs. You have made a great choice in Learn Love 'n Laugh, that has been serving children and families for 30 years in Devon and surroundings. It is my pleasure to serve you and meet your specific need for child care, early learning and OSC.

I am truly excited about my new role, and I look forward to meeting you all in my journey along with you at Learn Love 'n Laugh.
