Newsletter – March 2022

March is here and in just a few weeks we welcome spring, what a winter we've had. It is that time of year when we start looking for nice weather and it can't come fast enough! We have been very fortunate the last couple of weeks with the spring like temperatures, hopefully this a sign that Spring is just around the corner. February was such a fun, love filled month! We had such a nice valentines and Black History month event with our friends!

Dress your children accordingly as the cold temperatures are still upon us. Please still provide jackets and winter boots, mittens and toque, as it is still cold outside.

As we have all heard by now about Alberta's stage 2 opening which has most of the restrictions being lifted, we invite all parents /guardians to come and enjoy your child's art and creation. If your child is in the infant/toddler room, you may now go back for drop off and pick up. So you don't need to wait at gate anymore.

Please notify the centre if your child/ren are coming in after 10:00am. This is to ensure we keep in staff-ratio as we send staff on their breaks. If you will be dropping your child/ren after 10:00 am please call the centre before 9:00am.
