## Newsletter – April 2022

April showers bring May flowers.....

Happy April! Now that spring has arrived, we're looking forward to spending even more time exploring the outdoors. With all this nice weather our clothing could get wet, so please put extra clothing/socks and appropriate outdoor footwear. Taking advantage of the beautiful weather helps children learn and grow as they discover new things in their environment. Our teachers are planning outdoor games. We can't wait to share these activities with your child. We will be spending more time outside; please ensure that your children are dressed to play outside. If you would like us to apply bug spray on your child before going outdoors, please supply us with the repellent you would like used.
