As the weather gets warmer, please ensure your child comes to daycare with sunscreen already applied. We will reapply sunscreen as needed throughout the day. Additionally, remember to pack a hat to protect their delicate skin from the sun. Hydration is crucial, especially during the summer months. Please send your child with a labeled water bottle each day to keep them hydrated and refreshed. Accidents and spills happen, and it's always helpful to have spare clothes on hand. Kindly provide a labeled set of spare clothes for your child, just in case.
