

Learn, Love 'n Laugh

Newsletter – April 2024

As we step into the refreshing days of April, we are excited to bring you the latest happenings and updates from Learn, Love n' Laugh. We are delighted to usher in a new month filled with opportunities for growth, learning, and joy. We embrace the beauty of this season and are excited to embark on a journey of exploration and discovery with our little ones. Spring has officially sprung, and we are ready to embrace the warmth and joy it brings into our lives. We have planned an array of exciting spring-themed activities for our little ones, planting in our daycare and other opportunities for our children to explore nature and engage in creative play. As stewards of the environment, we believe in instilling a sense of responsibility towards our planet in our children from a young age. This month, we will be celebrating Earth Day with special educational activities focused on sustainability, recycling, and appreciating the beauty of nature. From blossoming flowers to chirping birds, April brings with it a sense of wonder and excitement that we can't wait to share with our cherished daycare. We will celebrate the arrival of spring and all the wonders it has in store for us!

Important Friendly Reminder

As pollen counts rise during the spring season, please inform us of any allergies your child may have so we can take necessary precautions and ensure their safety and well-being.

Hydration is key, especially as the temperatures begin to climb. Please remember to send your child with a labeled water bottle each day to keep them refreshed and energized throughout their activities.

April showers bring May flowers, but they can also lead to unexpected messes during outdoor playtime. Please remember to pack a change of clothes for your child in case they need it.

Thank you for your attention to these reminders. Your support and cooperation contribute to the success of our daycare. If you have any questions, concerns, or updates regarding your child, please don't hesitate to reach out to us. Your feedback is invaluable to us.
