## Newsletter – March 2024

Welcome to the blooming month of March at Learn, Love 'n Laugh, in Alberta, we experienced a relatively mild winter this year, aside from a week of record-breaking cold in January. Now, as snowfall continues this week, it's finally time to say goodbye to winter and welcome the gentle warmth of spring. With the arrival of March, we're diving into a world of colorful adventures and outdoor exploration! Our little ones will have the chance to engage in various spring-themed activities, from planting seeds in pots to creating beautiful art-work inspired by nature's wonders. Let's encourage their curiosity as they discover the magic of the season!

March brings along some exciting celebrations, and we're ready to make each moment memorable for your children. Get ready for St. Patrick's Day crafts. We'll also be celebrating International Women's Day, where we'll honor the remarkable women who inspire us every day.

With the snow melting away, we're gearing up for outdoor exploration and springtime fun! From nature walks to scavenger hunts, our little adventurers will have the chance to embrace the wonders of the season. Please ensure your child is dressed appropriately for outdoor play, including boots and jackets.
